message

JAL **"JOY AND LIGHT"**

Every day, JAL employees and volunteers work to improve the lives of close to 100 beneficiaries. giving them the proper attention, training, and respect. to provide a secure space where they can recover, live, and play. They are invited to participate actively in our initiatives. Without the generous assistance of our donors and well-wishers, none of this would be possible. With sincere gratitude, we sincerely hope you'll stick around in the years to come and support us as we realise our goals for the new project.

Organization

We are Non-Governmental and Non-Profit Organization registered in the year 2016 under

India Trust Act. We are also registered under 12 AA, 80 G of Income Tax Act and foreign contribution regulation act.

At JAL we are committed towards promotion of welfare, well-being and holistic development through need based intervention programs. JAL through its Right based approaches identifies the disadvantaged and vulnerable individuals like children and senior citizens who are not capable enough to meet their medical, social, and economic needs due to poverty and other social harms.

Managing trustee : N . Satheesh

Trustee : Govindraaj

Auditor : Lalith N Modi

Advisor : Dr. Bakshi

Mission and vision

JAL's AYUSH home aims to give the elderly a respectable and homelike lifestyle with the utmost commitment, dedication, trust, and care in order to foster compassion and love.

- **to continue existing by joining all hands of like-minded individuals.**
- **to make the home's amenities available to more people in need in the community.**
- **to increase our elderly service capacity.**

SHINE HOME for cancer affected children

Its goal is to offer family-based Institutional medical treatment and assistance, making it the first of its sort in Pondicherry. Children are housed with their parents, given medical attention at the JIPMER hospital, and fed wholesome meals

OUR PROJECTS

1 AYUSH for senior citizens

where we in 2 locations provide a proper home, food and medical care to 20 seniors who were abandoned and living on the streets.

2 SHINE HOME for childrens with cancer

First of its kind in Pondicherry, its aim is to provide family based institutional medical care and support. Children are provided accommodation along with their parents, given medical care through JIPMER hospital, provided nutritious food.

Birthday celebration

We never forget a birthday. There is always a small gift and a cake. While others can indulge into more creamy options. Especially we appreciate when well wishers come and celebrate their birthdays with us. Those are very memorable moments.

WELCOME

Health care

In JAL we conduct general health check camps, dental camps , in this covid time we conducted vaccination camps in AYSH homes . In shine home we closely work with doctors in the JIMPER hospital.

Day celebration

In JAL we celebrated all the important day likes independence day, republic day, mothers day, youth day, yoga day etc in both AYSH and Shine homes.

Thank You
